

Income Eligibility Requirements for Community Programs

Community Service Assistance Program-General Assistance

Clients can receive one-time per year assistance with mortgage, rent, water, or delinquent property taxes.

To qualify for assistance the client must have a loss of income due to illness, layoff or involuntary hour reduction in the past 30 to 60 days or experiencing some unusual or uncontrollable circumstance resulting in an unexpected experience.

2008-2009

Income Guidelines for the Community Service Assistance Program (CSBG)- General Assistance

All services provided by the Metropolitan Action Commission are based on income eligibility and need for the service. Customers needing assistance from the Community Services Program must meet the Federal Poverty Income Guidelines for, which means that the household income is at or below 130% of the Department of Health and Human Services Poverty Guidelines. Income eligibility and documentation of the client's need for service must be completed in order to establish client eligibility prior to delivery of service.

Family Size	Maximum Monthly Gross Income
1	\$1127.00
2	\$1517.00
3	\$1907.00
4	\$2297.00
5	\$2687.00
6	\$3077.00
7	\$3467.00
8	\$3857.00

For family units with more than 8 members, add \$4,680 annually for each additional member or \$390.00 per month.
